## スピーカー

**NPO birth, Executive Director /**

**Green Connection Tokyo, Representative Director – Rumi SATO**

Rumi SATO is the founder of two intermediary organizations (NPOs) to promote green-related practices. Now as Representative Director of Green Connection Tokyo [GCT] (2018-), Sato promotes networking a range of urban green professionals across both private and public sectors.

Also, as Executive Director of NPO birth (1997-), she fosters public-private collaborations to manage urban parks effectively for leveraging their potential for community development. NPO birth has now managed 73 urban parks in Tokyo and beyond, which add up to 520ha in total. Sato promotes the model of intermediary organizations to promote active social engagement with urban nature for its preservation and revitalization. In addition, Sato has influenced national and municipal policies as an adviser in committees organized by ministries and local authorities (including Ministry of Land, Infrastructure, Transport and Tourism; Ministry of the Environment; Tokyo Metropolitan Government and more than ten local authorities). Board member of Koen Kanri Uneishi Kai [Association of Park Management Professionals], Councillor of The Nature Conservation Society of Japan. Her published works include “The Future of Community Development Through Park Management” (Marumo Publishing, 2020)

佐藤留美：みどりに関わる2つの中間支援組織（NPO）の創設者。Green Connection Tokyo(GCT)の代表理事およびNPO birth 事務局長。GCT（2018-）では都市緑地に関わる官民の各種主体のネットワーキングを行い、NPO birth（1997-）は公園緑地を官民連携でマネジメントし、まちづくりにつなげる活動を行っている。東京都を含めた73か所の公園の管理を担う。中間支援組織のモデルを活用し、社会の積極的かわりを通じた都市自然の保全活用を推進している。国の省庁や自治体の委員として政策提言にも関わる（国土交通省、環境省、東京都、国内の10以上の区市の都市緑地に関わる委員）。（一社）公園管理運営士会理事。日本自然保護協会評議員など。共著に「パークマネジメントがひらくまちづくりの未来」ほか。

**NPO birth, Park Coordinator – Kisaki SAISHU**

Kisaki SAISHU works at NPO birth as a park coordinator, responsible for coordinating volunteer activities in urban parks, planning and administrating park events, and helping connect people from different backgrounds, across public and private sectors, academia and industry, and improve their access to parks and nature in them. Having studied topics related to well-being and betterment of human and nature relationship, she tries her best to make these goals come true.

最首希咲：NPO birth のパークコーディネーターとして、公園におけるボランティア活動のコーディネーターやイベントの企画運営などを行い、産官学民さまざまな立場の方を、公園とその自然につなげる仕事をしている。大学時代に研究していたウェルビーイングや、人と自然のより良い関係を実現すべく、日々奮闘中。

#### **NPO birth, Park Coordinator – Moe SAKAMOTO**

Moe SAKAMOTO works at NPO birth as a park coordinator, in charge of Tokyo Metropolitan Musashi Kokubunji Park. Together with local people who want to “promote our Kokubunji!” and engage with various practices and activities, she tries her best to enhance the power of neighbourhoods and parks of Kokubunji-City.

坂本萌：東京都立武蔵国分寺公園のパークコーディネーターを務める。市内で「国分寺の魅力を発信したい！」と活動・活躍する人々とともに、まちと公園のちからを向上させるべく日々奮闘中。

#### **NPO birth, Park Ranger & Ecological Manager – Kodai SAITA**

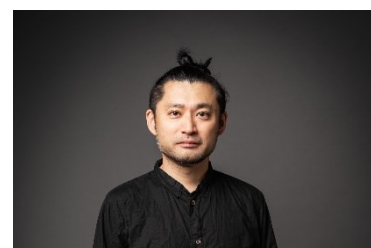

Kodai SAITA works at NPO birth as an ecological manager, specializing in the survey of flora and fauna and in the preservation and maintenance of green spaces. When in the actual field of park management, he also works as a park ranger to connect people and nature by offering visitors such opportunities as excursions in natural environment and ecosystems preservation while securing safety for them. He is designated as an environmental adviser of Kokubunji-City.

齊田滉大：NPO birth では「エコロジカルマネージャー」として、動植物の調査や緑地の保安全管理などを行う。また、公園管理の現場では「パークレンジャー」として、自然解説や環境保全、安全管理などを行い、人と自然をつなぐ役割を担う。国分寺市環境アドバイザー。

#### **World Urban Parks, Ageing Well-being & Parks Committee, Co-chair – Masamichi TAMURA**

Masamichi TAMURA is co-chair of the “Ageing, Well-being and Parks” committee of World Urban Parks as well as a board member of World Urban Parks Japan. While studying the history of architecture theories and urban landscape ecology as a researcher (M.Eng), he organizes a community group “michikusakai” to revitalize tiny urban parks in walkable distance together with nurseries in the neighbourhood, offering locals open opportunities for intergenerational communication from children to elders. Salzburg Global Seminar Emerging Urban Leaders Fellow (2022-2023). Doctoral student at Institute of Science Tokyo in the field of architecture.

田村将理：World Urban Parks 「Ageing Well-being & Parks 委員会」共同議長、およびWorld Urban Parks ジャパン理事。建築理論史と景相生態学の研究のかたわら、徒歩圏内の公園緑地を市民活用するための団体「途草会」代表として地域保育や多世代交流にとりくむ。Salzburg Global Seminar Emerging Urban Leaders フェロー（2022-2023）。建築学修士（工学）。現在、東京科学大学博士後期課程。
